The student and a parent will be required to attend the meeting and pay the FFA dues to their respective chapter. If the student wishes to keep the animal project at one of the TISD barns, the Foundation will pay the rental fee directly to Tomball ISD. A feed account funded by HFMF in the student's name will be set up at D&D Feed Supply solely for the purpose of purchasing feed for the animal. HFMF will closely monitor all purchases made by student at D&D Feed Supply. The student will be required to keep accurate records on AET and provide HFMF with monthly progress reports. HFMF reserves the right to reclaim the animal if at any time it is not being taken care of properly by the student. HFMF is not responsible for sickness, injury, or death of the animal.

REPAYMENT GUIDELINES

1. To ensure that future students are able to have the experience of raising an FFA supervised animal funded by HFMF, any proceeds derived from the sale of the student's animal will first be used to repay the costs of purchasing, sheltering and feeding during the course of raising the animal. Following that, any remaining proceeds will be distributed to the student. Any add-ons will be directly given to the student. All proceeds are net of the Tomball FFA deduction.
2. Each student will be required to seek buyers for his or her animal sold at the show in case the animal does not make the auction.
